The following Terms & Conditions apply:

MOTORCYCLE RESERVATION

Provider of the Motorcycle Reservation

This motorcycle reservation, to make a reservation and receive a purchase offer from an authorised dealer, (hereinafter: the "**Motorcycle Reservation**") for the Ténéré 700 motorcycle (hereinafter: the "**Motorcycle**") is offered online by Yamaha Motor Europe N.V., its branch offices and related affiliates (jointly and separately referred to as "**Yamaha Motor Europe**" or "**we**"). Unless otherwise referenced herein, any reference to Yamaha Motor Europe shall include all its branch offices and related affiliates.

Offer and registration

The online Motorcycle Reservation is available from 27 March 2019 until 31 July 2019 for the recommended retail price of €9.299,00* (including VAT) for the base motorcycle. Customers will be served on a first-come, first-serve basis. A person can only reserve one Motorcycle within its country of residence, which Motorcycle Reservation is strictly personal and non-transferrable.

Confirmation of registration and allocation of Motorcycle

Upon receipt of your Motorcycle Reservation by Yamaha Motor Europe, we will send a confirmation of reservation to the email address provided by you during reservation. If you are eligible to purchase a Motorcycle after reservation, Yamaha Motor Europe will confirm to you the (temporary) allocation of one Motorcycle by email within three (3) working days after sending you the reservation confirmation ("**Allocation Confirmation Email**").

Purchase process

Please visit the dealer you have selected in the reservation process within 14 calendar days once we have confirmed to you by email the temporary Motorcycle allocation in the Allocation Confirmation Email. Bring a print out of the Allocation Confirmation Email with you in order to enter into a Motorcycle purchase agreement with your selected dealer. The dealer will inform you of the expected delivery period of the Motorcycle upon closure of the purchase agreement.

Should you not come to an agreement with the dealer you have selected through the Motorcycle Reservation form, you may visit another Yamaha Motorcycle dealer (see Ténéré 700 dealers as listed in the dealer locator on the Yamaha Motor website of the country of your residence) to enter into a purchase agreement (please also do not forget to provide the Allocation Confirmation Email to that alternative dealer). Please note that you should in that case make a new appointment yourself with the alternative dealer. Please also be aware that the Motorcycle purchase agreement with the selected dealer or the alternative dealer must in any event be entered into by you with that dealer within 30 calendar days after the date of the Allocation Confirmation Email. The Motorcycle purchase agreement shall be between you and the selling dealer. Yamaha Motor Europe will not be a party to this purchase agreement. Yamaha Motor Europe also does not guarantee the availability of a Motorcycle at the selected or the alternative dealer.

The buyer details in the Motorcycle purchase agreement must be identical to the reservation details provided by you during the online Motorcycle Reservation. In case of discrepancies, Yamaha Motor Europe and the Motorcycle dealers, reserve the right to make your reservation and the temporary allocation of the Motorcycle invalid.

If, for whatever reason the purchase agreement for the Motorcycle is not concluded within the 30 calendar days term from the Allocation Confirmation Email set out above, your registration and Motorcycle allocation under the Motorcycle Reservation will be rendered invalid automatically and you will no longer be eligible to purchase a Motorcycle under the Motorcycle Reservation.
